

# Regent X 小小樹食

米其林綠星餐廳「小小樹食」和位於晶華酒店 B2 全新概念蔬食 Fine Dining 的姐妹品牌 curious，聯手賦予上庭早午餐全新面貌！藉由養成「一週二次」無肉的飲食觀念，讓健康的飲食型態自然走入生活，有益於體內環保的同時，也可以減碳愛地球。

Gallery collaborates with Michelin Green Star restaurant "Little Tree Food" and its sister brand "Curious", an innovative vegetarian Fine Dining located at B2 of Regent Taipei to launch a brand-new additional brunch menu, inviting guests to realize the idea of "Flexitarianism" by having meatless meals twice a week. Through developing such sustainable eating habit, we can become healthier while reducing own carbon footprints to further protect our beloved mother earth.
